

SPONSORSHIP PACKET

JORDAN THOMAS FOUNDATION
GOLF TOURNAMENT

November 4th, 2024

The Club at Olde Stone | Bowling Green, KY

Providing prostheses to kids in need is a mission that's personal to Jordan Thomas.

Like many of our JTF kids, Jordan once heard the words "you might never walk again." Instead of accepting that as his fate, Jordan was determined to not only walk again, but to run, jump swim *and* become a +2 handicap golfer.

It makes sense then, that our annual Golf Tournament is one that we get most excited about, and this year it will be better than ever. **It's a 28-team scramble** which will keep pace of play quick and be a fantastic player experience.

You'll also get to meet some of our incredible JTF kids so you can see first hand what your sponsorship provides for kids living with limb loss. Choose your sponsorship level today and we'll see you in November!

SIGNATURE SPONSOR | \$20,000

- Opportunity to host a display table at the tournament
- Hole signage with your logo on four holes (including on 1 & 18)
- 'Signature' recognition on all banners, promotional materials, website and socials
- **Two teams** of four for the tournament

WHAT YOUR GOLF SPONSORSHIP PROVIDES FOR JTF KIDS

Your participation in this event allows more kids to get the prostheses they need to live active, healthy lives. Specifically, your sponsorship will:

- cover the cost of activity limbs until the child reaches adulthood
- cover the cost of the family's travel and accommodations to access the best care possible for their child (typically takes 7-10 days for a child to get properly fitted for a prosthetic device)
- allow kids with limb difference to attend camps, play sports and live a life without limitations
- provide families access to a network of support

Thanks to your generosity, more kids living with limb loss will be able to pursue their dreams.
